

National FAA Safety Team presents:

AirVenture 2023 Seaplane Base Forum - How to Co-Exist with Weather

The tools & technology available to GA pilots have changed significantly over the last few years, but have GA pilots evolved with them? These presentations take an in depth look at how weather & weather interpretation has plagued GA pilots over the years and what we can collectively do to reverse the trend. Leidos will also demonstrate the services, briefing tools, & features that www.1800wxbrief.com has to offer; with helpful tips on the best ways to stay safe and interact with Flight Service.

WINGS/AMT credit available!

To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.
